Hi Paula
I'm glad you had (1) good time on holiday. We went to Italy last year. It's great, isn't it?
We're going (2) holiday next week, actually. Dad really liked the idea of Spain, but Mum preferred Portugal. They asked me to choose. 'OK,' I said. 'France.'
We're going to stay in (3) small hotel. Dad wanted to go camping, but Mum doesn't enjoy that type of holiday. (4) hotel is near the sea. It's famous for its restaurant too.
But I don't really like holidays. You work hard (5) 50 weeks a year and then worry (6) your holiday. My parents are worrying about everything at the moment: packing clothes, finding passports, buying suntan lotion, choosing books to read. This is why I think the perfect holiday is staying at home and doing nothing. Anyway, I'll call you when we come back.
Love
Luke
