

# Comparative & Superlative

## Comparative:

+ We use Comparative when we compare two people or things.

+ Lots of Comparative adjectives end in: -er

-Example:

- |                  |                |
|------------------|----------------|
| 1. Small-Smaller | 3. Old-Older   |
| 2. Warm-Warmer   | 4. Tall-Taller |

+ If one-syllable adjective ends with an e, we just add -r

-Example:

1. Nice-Nicer,
2. Wide-Wider

+ We use more with the unchanged adjectives:

-Example:

1. Boring-More Boring
2. Beautiful-More Beautiful

Note: If the word ends: consonant-vowel-consonant, then the last consonant is usually doubled in the comparative.

Examples: big-bigger, fat-fatter, hot-hotter.

## Superlative

+ Superlatives are used to compare more than two things.

+ Lots of Comparative adjectives end in: est

- Example:

- |                    |                 |
|--------------------|-----------------|
| 1. Short- Shortest | 3. High-Highest |
| 2. Smart-Smartest  | 4. Dark-Darkest |

+ If one-syllable adjective ends with an e, we just add st

-Examples:

1. Nice-Nicest,
2. Wide-Widest

+ We use most with the unchanged adjective

-Example:

1. Boring-Most Boring
2. Beautiful-Most Beautiful

+ Adjectives with one syllable + Y (Y changes to I)

-Example:

Friendly-Friendliest

Certain adjectives have irregular forms in the comparative and superlative degrees:

Adjective	Comparative	Superlative
1. Good	Better	The best
2. Little	less	least
3. Bad	worse	worst
4. Far	farther	farthest

1) Exercise
